

Prelude Lake Trail

This scenic nature trail within the Prelude Lake Territorial Campground (30 kilometers east) is sure to expand your knowledge of the local flora and fauna. The 2.5 km loop provides gorgeous views of Prelude Lake and interpretive signing will explain everything you need to know about the north's wildlife and vegetation.

The trail begins before the gatehouse (meaning that you do not need to pay park use fees to access it). The trail entrance is clearly marked, and features parking.
